As we begin a new year with hopes and expectations, we must look on the bright side. 2021 has started with a bang, literally!

Many credit unions have had tremendous asset growth in deposits but lower loans to offset. These problems provide an opportunity for us as board members to shine in our ability to lead and make decisions.

If you are a new Board Chair, or a board member who is aspiring to one day become Chair, NACUC is again providing an excellent opportunity to gain the skills and knowledge necessary to be a successful board leader. The program gives you the opportunity to gain information in the areas of governance, financial literacy, and your role as a board leader.

Our Leadership Development Seminar, led by Tim Harrington, is again being presented virtually due to COVID concerns. Last year we held the seminar by virtual means and it was extremely successful. Tim has been conducting the seminar for us for 10 years, and if you participate every year, you will learn something new. Having attended more than one session myself, I can assure you will come away with new skills and knowledge each time.

Registration is now open for the Leadership Seminar. It runs from May 16-18 with morning sessions each day to allow you time to accomplish those things necessary in life.

Also remember the listserv we offer is a great way to gain information from other members on topics related to credit unions and leadership situations. Ask a question and get assistance from others with board leadership skills and experience.

Membership Renewals Due

Be sure your credit union has renewed its annual membership in NACUC. Invoices were emailed to the billing contact at your credit union last month. If you have not renewed, please contact nacuc@nacuc.org to make sure your NACUC membership does not lapse.

- Membership in NACUC resides with the credit union, not an individual
- All board members are eligible for discounts on meeting registration fees
- If you are the Board Chair, set up a legacy membership by inviting your Vice Chair (or next in line) to attend NACUC meetings
- Include NACUC's Leadership Development Seminar as part of your Board's succession plan
- Recognizing that some boards rotate positions, NACUC membership transfers to the incoming Board Chair

This is also a good time to log into your NACUC membership account to ensure your board contact information is up to date with us. You can also email your changes to nacuc@nacuc.org.
