NACUC Announces Name Change

Del Mar, CA (October 28, 2022) – NACUC’s membership recently approved to change the organization’s name from the National Association of Credit Union Chairmen to *National Association of Credit Union Chairs*. The change, which received strong support from members, aligns with the gender-inclusive title Board Chair that many credit unions have adopted.

“When considering a name change, we wanted it to reflect that NACUC remains focused on the role of the board chair,” explained NACUC’s former board chair Jerry Hauck. “Leadership training is also an essential part of our mission and an important aspect of board succession planning. We introduced a course for new directors earlier this year to prepare future leaders and to give all directors an appreciation and understanding of the unique role of the chair.”

The National Association of Credit Union Chairs is the only national trade association dedicated to the development of credit union board chairs and aspiring chairs through unique, high-level education and networking programs. Learn more about NACUC online at www.nacuc.org.
